TO WHOM SO EVER IT MAY CONCERN

SUB: RECOMMENDATION LETTER FOR 'ITT' MAKE PNEUMATIC PUMPS.

We have installed IIT LOWARA HYDRO-PNEUMATIC system consisting of 3 variable speed pumps of model: CA 120/35, Flow rate-9m/hr. @ 30m, each pump working since 2004 and expanded in June 2010,

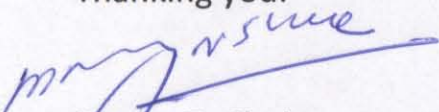

At our site, THE SPORTS CLUB OF GUJARAT LTD., Sardar Patel Stadium, Navrangpura, Ahmedabad, 380014.

The AQUATICS team has successfully installed the pneumatic system. The system is meeting the performance as per the design and specifications. The pneumatic pumps along with its valves and headers have helped in providing water throughout the premises.

The AQUATICS service team has provided full cooperation in maintenance and back up for the units since 2004 and expanded its installation gradually with the club's growth . Their services have helped us take care of the comforts of our members and guests.

Based upon the performance of the system and our 6 year old relationship with ITT channel partner AQUATICS, we would recommend this product to all the prospective buyers.

Thanking you.

Mayur R. Shah
General Manager
